SUBMISSION OF REEXECUTED LAVELLE DECLARATION

With the Amendment and Request that an Interference be Declared under Rule 607, filed on April 20, 1995, applicants submitted an originally executed declaration of Dr. François Lavelle. As indicated in footnote 4 of that Amendment, since Dr. Lavelle had originally executed a facsimile version of his declaration, the structural formulae for the compounds reported therein were difficult to read. As promised, applicants have had Dr. Lavelle reexecute a more readable form of his declaration, which they submit herewith for the Examiner's consideration.
